Projects

States (Under Construction)

Idea

Currently the project is just an idea. Many thinks have to be defined, before the project can start.

Initialization

To start working on the project, may things have to be initialize.

Under Construction

We are working on a concrete set of issues (features).

Maintenance

No new features will be implemented, but we will try to fix bugs and adapt it to new versions of supported or used systems.

Closed - Aborted

The project is closed and will not be finished.

Closed - Finished

The last release is published and maintenance is closed. Maybe it will be supported somewhere else.
